APPROVED

CITY OF GRACE, IDAHO
MINUTES OF THE EMERGENCY MEETING
HELD AT CITY HALL
APRIL 24, 2023

PRESENT: Mayor: Jackie Barthlome
Council Members: Colleen Fluckiger, Larry Allen, Mike Ridenour, Kathy Tillotson
Superintendent: Riley Crookston
Clerk: Shelley Reeves

Mayor Barthlome called the meeting to order at 8:30 a.m.

Superintendent Crookston explained that he asked Metroquip to look for vac trucks for him and they had found the two that were discussed at the last meeting on April 19, 2023. They found those trucks available but they did not have them in their possession and thus could not guarantee that they could get them for the city if the city didn't make a decision on which one or any that they wanted. The 2014 is \$200,000.00 plus it needs a wet kit, and Metroquip couldn't go down at all in price. The 2002 is \$175,000.00 and Metroquip will include up to \$5000.00 in extra parts and nozzles. They would also be willing to give a \$5000.00 trade in on the old truck.

The truck will be used for streets, water, and sewer so the payment will come out of all the funds.

Clerk Reeves explained that the old truck will need to be put up for surplus sale before the city can turn it in on trade in. A motion was made to put the truck up for surplus sale at the meeting on February 28, 2023.

Councilmember Allen moved to purchase the 2002 truck for \$175,000.00. Councilmember Fluckiger seconded the motion. Motion passed unanimously.

Meeting adjourned at 8:38 a.m.
